Dear Community Supporter:

Since 1997, Partners Aligned Toward Health has served Yancey and Mitchell Counties by bringing people together to identify community needs and improve the health of local children and families. We believe in empowering individuals to make healthy changes, and that collaboration brings about community change. Each year we organize the Burnsville Fit Families (BFF) 5K to unite our community through healthy activity. **We would like to offer your business an opportunity to publicize your support for the local community at this year's BFF 5K!**

We have had such a good response from youth participants that once again, we'll be allowing all students under the age of 18 to participate in our 5K for FREE. For many youth, this is their first 5K! They get an event shirt, the experience of their fellow community members cheering them on as they run, music, and smoothies at the finish line. Your sponsorship helps to offset those costs.

Our 9th annual 5K, will be held on Saturday, May 12th in downtown Burnsville, with the start and finish lines on the Square. It will be an opportunity for runners of all ages and skill levels to come together, have fun, and win prizes. This event typically has drawn close to 250 participants, plus crowds of friends, relatives, and volunteers. It receives press and social media coverage, and the downtown location facilitates central local exposure, making it an excellent opportunity to promote your business to both local and visiting families and individuals, and the businesses they represent.

We hope you will join us as a sponsor this year! **In order to have your sponsorship appropriately recognized on the t-shirt, we request you submit the attached sponsorship form by April 10th. If you are interested in the title or partner sponsorships, please submit the attached sponsorship form by March 9th to be recognized in our brochure.**

Please feel free to contact us with any questions at (828) 682-7899 or brianna@pathwnc.org. Thank you for your commitment to health and wellness in our community!

With best regards,
