This release includes all injuries and or/ damages suffered by me before, during or after the event. I recognize, intend and understand that this release is binding on my heirs, executors, administrators, or assignees.

I attest and verify that I am physically fit and have sufficiently trained for the competition of this event. In filling out this form, I acknowledge I have read and fully understand my own liability and ability. I assume all risks associated with running in this event including, but not limited to: falls, contact with other participants, the effects of weather, traffic, and course conditions, and waive any and all claims which I might have based on any of those and other risks typically found in running a road race. In the event of an illness, injury or medical emergency arising during the event, I hereby authorize and give my consent to the Event Director to secure from any accredited hospital, clinic and/or physician any treatment deemed necessary for my immediate care. Relay Team Rules:

- Teams must have a minimum of two members, with a three-person maximum per team. There are no age or gender restrictions within teams. Each team should have one "Team Captain."
- Each team will receive an anklet timing device that must be passed off between team members. The anklet contains the timing chip, so the team member crossing the finish line **MUST** have the anklet for the team to officially complete the race.
- There will **NOT** be designated checkpoints or places along the route for team members to exchange the anklet timing device. It will be up to each team to determine the point(s) along the race route for exchange. Mile markers will be placed along the race route to help identify potential points for exchange. Course maps with marked miles will be available on race day in the registration area or can be downloaded/printed by going to <http://bit.ly/bff5kracecourse>.
- While the option to participate in the race as either a two person or three-person team exists, **there will only be ONE award category for Team Races**. This category will consist of two person and three person teams. It is the responsibility of each team to ensure they have the appropriate number of members to participate on a competitive basis, if they so desire.
